

## **George Cameron, Ed.D.**

Dr. Cameron is the District Supervisor for the National School District (NSD). Previously he was the Assistant Superintendent, Director for State and Federal Programs, Director for Integration and Principal for NSD.

For over thirty years, Dr. Cameron has dedicated himself to teaching the children of the community, as a bilingual teacher as well as a classroom instructor. He has also taught University level courses in Principles of Educational Administration, Curriculum Development and Evaluation, Instructional Improvement and Supervision. He has achieved training in the Superintendent's Academy, Assessor Training Seminar and Program Quality Review Training.

Dr. Cameron is a member of the San Diego State University Leadership Advisory Committee, University of San Diego Educational Administration Advisory Committee and California State Department of Education-Educational Innovation and Planning Commission. He has conducted various presentations covering numerous subjects on community based collaboratives, parent involvement, model instructional leadership, bilingual education, effects of clinical and traditional supervision. Through his dedication, Dr Cameron has been awarded Champion for Children Award, Local Hero of the Year Award, Author E. Hughes Career Achievement Award, Kiwanian of the Year Award, Hispanic Vision Award and several other awards.

He is a contributing board member of Catholic Charities Board, Commission on Children, Youth and Families, Commission on Children and Families Technical and Professional Advisory Committee, South Bay Community Services, South Bay YMCA and Sweetwater Kiwanis Club. He is fluent in Spanish with the ability to professionally speak, write and read.
